
Year 6 Caswell Adventure

caswell Bay and Bishop woods

◆
12th April 2024

Here's what happened at our spectacular trip to Caswell Bay and Bishops Woods

Welcome to our newsletter, this letter will tell you about the year six's of Terrace Road Primary's trip to Caswell Bay and Bishops Woods.

Firstly, our year 6s had been split into two separate groups, one went to Caswell Bay and the other went to Bishops Woods, The fantastic events that had occurred on that day had been terrific for everyone,

The group of children who went to Caswell Bay first had a remarkable experience with the staff, they were so kind to the children and we thank them for giving them a memory to remember for the rest of their lives. At the beach, with the staff we played a game where there would be rocks in a bucket and a person would be chosen as the sprayer would spray anyone who tried to steal the rocks, yet the thing is that the sprayer was wearing a sleepingmask! So they couldn't see! We had a great time.

We are also had the other group who went into Bishops wood, they had a amazing time! The Forest School Leader, who's name was Tom, he was our tourist.

The children played a game where they would hide and the left-over children would seek, if they see a child they would point it out and they would be eliminated, however if the hidiers would see the seekers passing they would have to attempt to pat on their back and they would win.

Together, we had a lovely time, we wouldn't be able to do this without the anonymous donor of £2,500, their kindness has brightened up our lives, some said that it was the best day ever.
