Thank you for the kind donation and letting us do all the activities, specifically the archery. It was amazing and I wish I could go back for 1 more day. I also enjoyed tennis 🎾 and football ⚽. It was very fun and thank you once again for letting us have this amazing

I really liked feeling welcome in this place, even though it's a farm. It's really cozy. I wished I stayed more days! I loved archery and our adventures and also getting free time.

I loved staying here. It was a wonderful experience. Even though it was a farm, I felt welcome and I would definitely come back. 10/10. I also liked that we got to have free time and we could socialise with our friends.

Thank you for the donation of money for us to take part in loads of exciting activities. Everyone that came has enjoyed themselves taking part in all the activities. My favourite one was when we had to climb the boxes and balance. It took a lot of thought and planning.

Thank you

*Thank You!*

Thank you for paying for this awesome trip. I enjoyed the football, tree climbing, feeding the pigs(Mario and Luigi) and playing with my friends. I would never have been able to go somewhere like this if it wasn't for you.

I really liked everything.

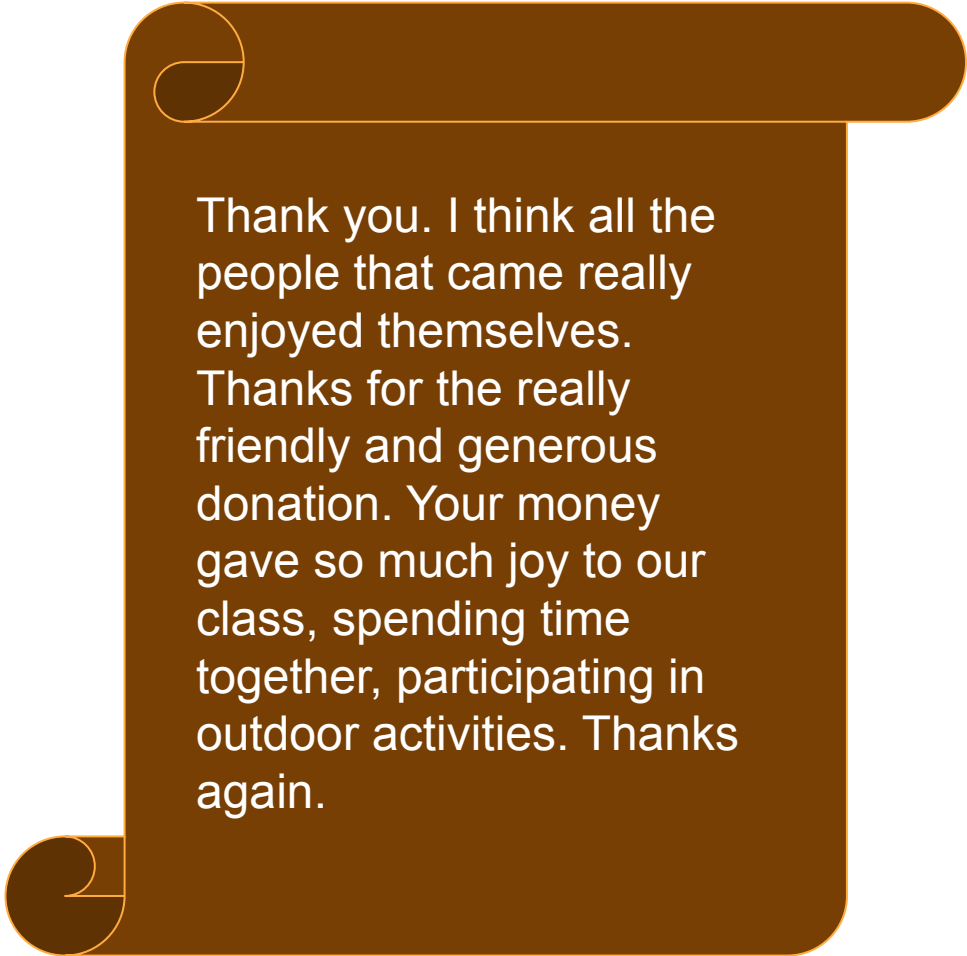

I made myself brave.

My dream came true to climb in trees.

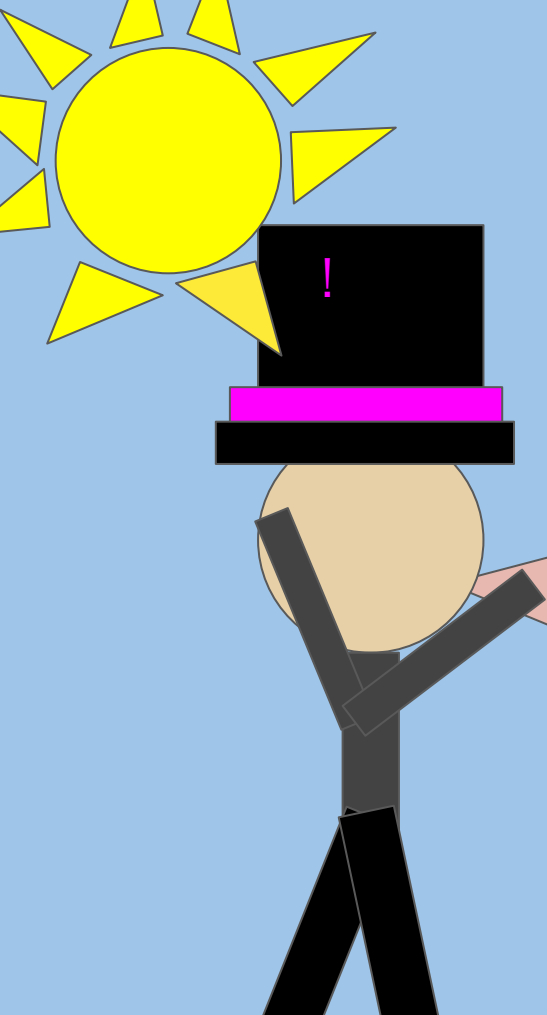

I liked playing tennis, wall ball and watching movies and I thank you so much for allowing us to do some many new things. I like orienteering and reading maps. It was so lovely and thank you so much.

Thank you. I think all the people that came really enjoyed themselves. Thanks for the really friendly and generous donation. Your money gave so much joy to our class, spending time together, participating in outdoor activities. Thanks again.

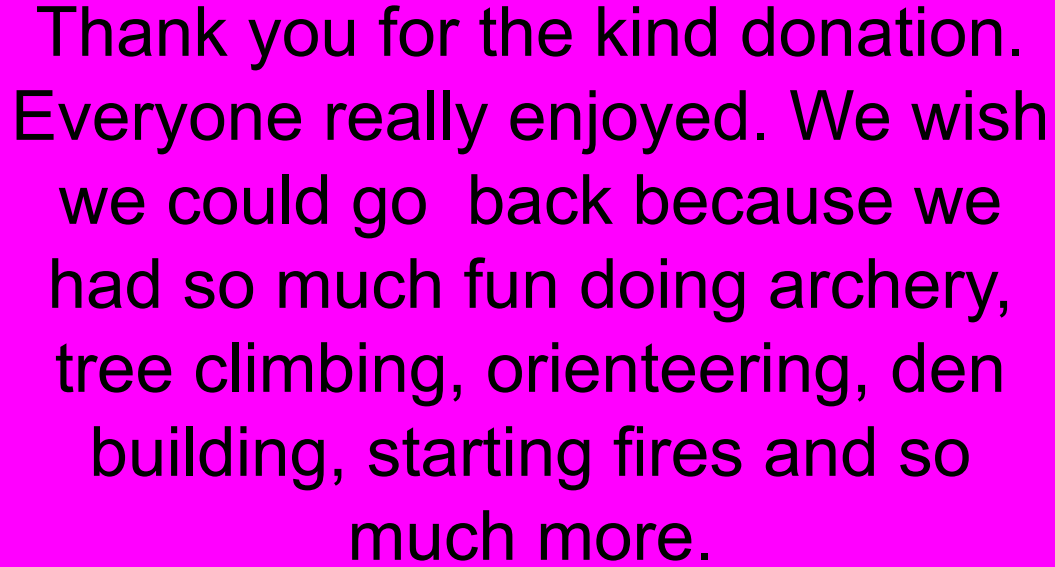

I enjoyed standing on top of the crates, it made me feel like I was flyingggggggggggg! I was finally taller than all the teachers for once!!!!!!!!!!

Thank you for one of the best two 2 days I've ever had. My favourite activity was the one when you had to stack containers and then you flew. It was an unforgettable experience.

Thank you for the kind donation. Everyone really enjoyed. We wish we could go back because we had so much fun doing archery, tree climbing, orienteering, den building, starting fires and so much more.
