

The image features a decorative border in a light olive green color. On the left and right sides, there are stylized leafy branches. In the corners, there are clusters of small, light-colored dots. Four-pointed starburst shapes are placed at the corners of the central frame. The text is centered within a double-lined, rounded rectangular frame.

BORFA HOUSE

Thanks to a donation from the Old Dy'vorians, the pupils of Year 6 from St. Helen's Primary were able to go on a once in a lifetime experience to Borfa House for a overnight Residential Trip!

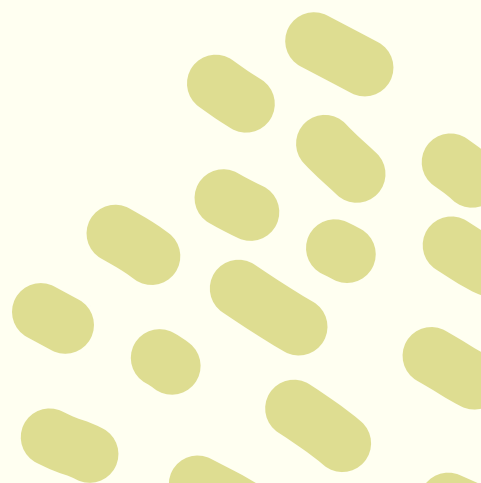

The Old Dy'vorians also supplied us with underwater digital cameras for us to capture our memories and use to create artwork when we arrived home!

We hope you enjoy our adventure as much as we did!

Arrival at Borfa House

At first leaving home for three days seemed scary! But as soon as we hit the road, the adventure began! We arrived safe and sound and were welcomed by our lovely Activity Leaders! We we show our rooms, our dining room and lounge!

Beach Adventure!

No time to stop! We were out onto the beach as soon as we arrived! We enjoyed a lovely brisk coastal walk and saw the beautiful beaches of Gower...even if it was a little windy and a little wet!

Face Painting!

Something we did not expect was to be face painting on the beach using rocks from rockpools. We made this special face paint out of ochre - obviously we turned into a Welsh Warrior Tribe right out of our Myths and Legends lessons!

The Salthouse

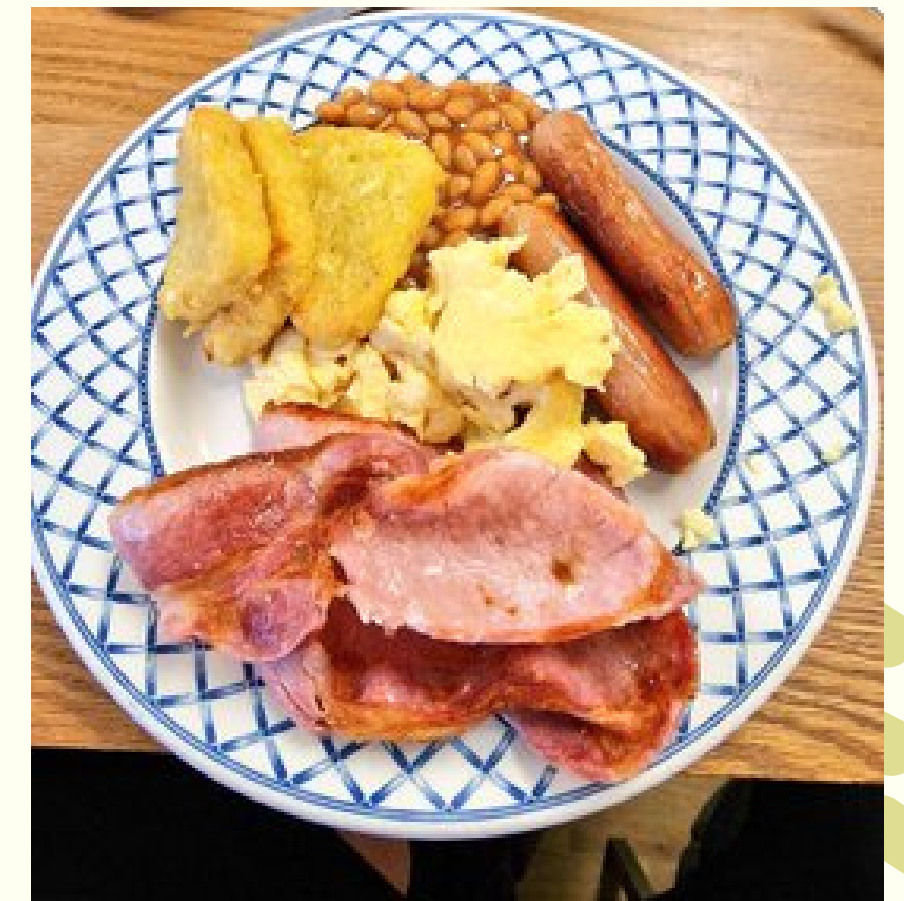

Y6 are hunting for a treasure tunnel that leads all the way from the Salt House in Port Eynon to Culver Hole. Legend has it that the tunnel would fit small children to smuggle treasure from one end of the bay to the other! Will we find it!?

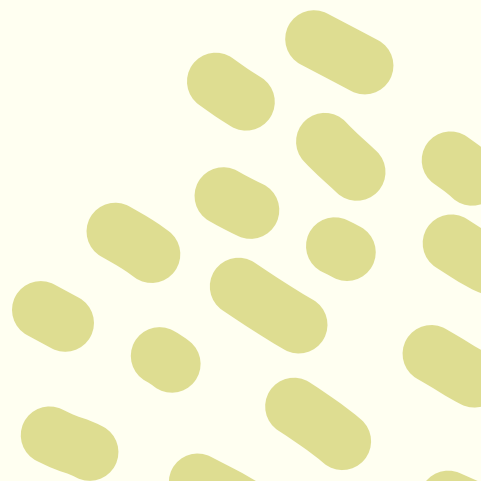

Breakfast!

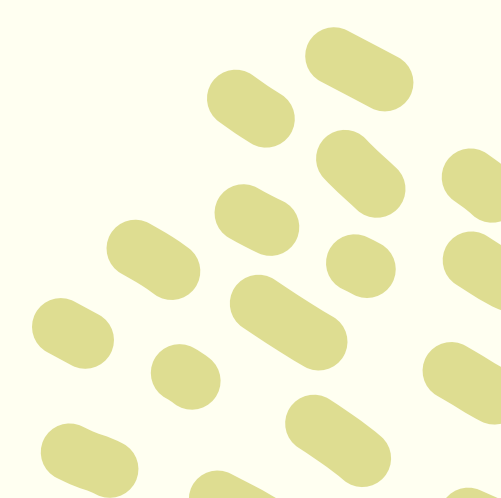

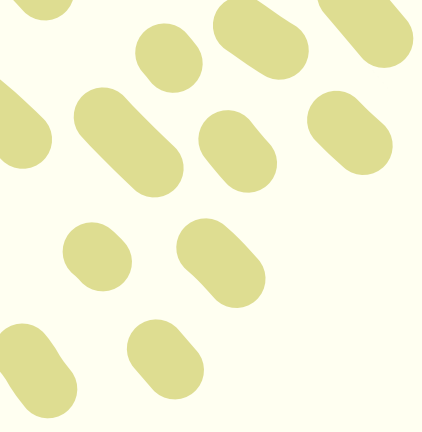

Year 6 made it through the night and had the best breakfast! We are loaded up on energy and ready for a full day of bushcraft out in the woods! But first we have to tidy up after ourselves and lay the table for dinner!

Building Dens!

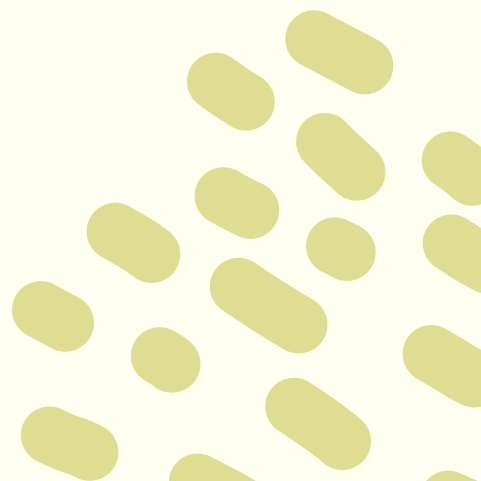

Y6 have been out in the wild today building dens and surviving the elements! They have had to build a den from scratch using the forest around them and very limited materials.

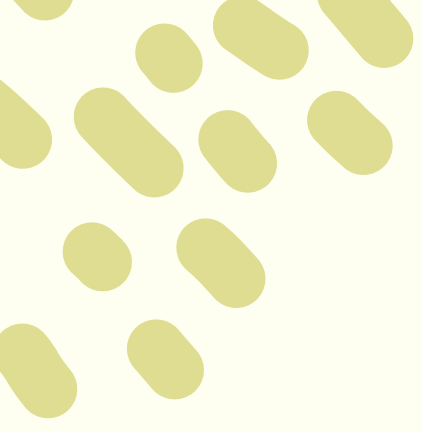

Campfire!

We gathered around a campfire that we built ourselves and even managed to avoid the rain! We even made our own dough and cooked our own bread on the fire. It tasted delicious with honey!

Movie Night

After being outdoors all day, we had a lovely living room to come back to and relax in. We had a movie night with snacks, and discovered a box of dressing up clothes to have fun in! We couldn't resist!

Movie Night

We would like to say a huge thank you to the Old Dy'vorians for their kind donation to our outdoor adventure, and donating waterproof cameras so we can capture memories! We plan to use the photos to help create some artwork inspired by Swansea artist John Upton!

THE ART OF JOHN UPTON

Year 6 were so lucky to have a visit from local Welsh artist, John Upton. Mr. Upton is also a past pupil and we have been totally inspired by his work and his passion! We had a great Q&A session and he showed us some of his work! We used the photos taken on our trip to recreate his art.
